

# SPECIAL A LEVEL ART INVITE.

The art department would like to especially invite you on to the A Level Art course next year. This is an exclusive opportunity to achieve an A Level in Art, Craft and Design.

The exciting course combines both practical and written elements, that will allow you to be creative in a specialist area such as ceramic, illustration, textile art, sculpture, and many more.

The course will develop your artistic skills and your love for the arts through investigation and experimentation. The course themes will be very personal to you and your experiences.

*Looking forward to seeing you next year from,  
The Art Department*
