Why BTEC Sport?

BTEC National qualifications provide learners with transferable knowledge and skills and prepares learners for a range of higher education courses and job roles related to a particular sector.

BTEC Level 3 National Extended Certificate in Sport will require applied learning that brings together knowledge and understanding with practical and technical skills. This is achieved through learners performing vocational tasks that encourage the development of appropriate vocational behaviours and transferable skills. Transferable skills are those such as communication, teamwork, research and analysis, which are valued in both higher education and the workplace.

- ◇ Continue your education through applied learning.
- ◇ Progress to higher education & employment in the sports sector.
- ◇ UCAS points equivalent to one A-Level.
- ◇ Meets admission requirements by higher education providers.
- ◇ Provides employability skills such as critical thinking, problem solving, communication & interpersonal skills.
- ◇ Suitable for students who have studied GCSE PE or BTEC Sport (L2) during KS4.

Is this the right course for me?
