

## My Revision Tasks: Science

Week	Topic/Module	Essential Revision Tasks	Optional Challenge Tasks	Completed
26 <sup>th</sup> Oct	<b>Biology</b> <i>B1 Cell structure and transport</i> <i>B2 Cell division</i> <i>B3 Organisation and the digestive system</i> <i>B4 Organising animals and plants</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	
	<b>Chemistry</b> <i>C1 Atomic structure</i> <i>C2 The Periodic Table</i> <i>C3 Structure and bonding</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	
3 <sup>rd</sup> Oct	<b>Physics</b> <i>P1 Conservation and dissipation of energy</i> <i>P2 Energy transfer by heat</i> <i>P3 Energy resources</i> <i>P4 Electric circuits</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	
	<b>Biology</b> <i>B5 Communicable disease</i> <i>B6 Treating and preventing disease</i> <i>B7 Non-communicable disease</i> <i>P8 Photosynthesis</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	
10 <sup>th</sup> Oct	<b>Chemistry</b> <i>C5 Chemical changes</i> <i>C6 Electrolysis</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	
17 <sup>th</sup> Oct	<b>Physics</b> <i>P5 Mains electricity</i> <i>P6 Molecules and matter</i> <i>P7 Radioactivity</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	1. Use the Know IT PowerPoint to make notes or revision cards and then answer the questions.	

*Every accomplishment starts with the decision to TRY*

## My Revision Tasks: Science

<b>Half Term Revision</b>	<b><u>Chemistry</u></b> <i>C4 Calculations</i> C7 Energy changes  <b><u>Biology</u></b> <i>B9 Respiration</i>	Use the knowledge organiser to complete the revision mat provided by your teacher or by following the link below: <ul style="list-style-type: none"><li>✓ Knowledge organiser</li><li>✓ Revision mat (Higher) and (Foundation)</li></ul>	<ol style="list-style-type: none"><li>1. Green pen exam questions completed.</li><li>2. Create a mind maps for all topics.</li></ol>
