

BRITISH CITIZENSHIP

Students in every year will have one bespoke Citizenship lesson each term, in addition to opportunities to explore British values and citizenship across the wider curriculum.

By learning about British Citizenship students will;

- acquire a sound knowledge and understanding of how the United Kingdom is governed, its political system and how citizens participate actively in its democratic systems of government
- develop a sound knowledge and understanding of the role of law and the justice system in our society and how laws are shaped and enforced
- develop an interest in, and commitment to, participation in volunteering as well as other forms of responsible activity, that they will take with them into adulthood
- be equipped with the skills to think critically and debate political questions, to enable them to manage their money on a day-to-day basis, and plan for future financial needs
